FUNGUS WORKSHOP

AN INTERACTIVE & EDUCATIONAL LOOK AT FUNGI IN OUR ECOSYSTEM

Wednesday 26 May 2021, 10am-4pm

Dirt matters, a journey in the mycobiome

At Bibbaringa woolshed

"Bibbaringa" 1268 Wymah Road, Bowna (35km north Albury)

Come and learn about fungi on a Regenerative Farm.

With guest presenter Alison Pouliot, a natural historian and environmental photographer.

Learn how symbioses between plants, fungi and other organisms affect nature, conservation, landcare and farming.

\$125 per person includes lunch and tea and coffee
